"AID AND COMFORT." TO THE ENEMY.

The Commander of our Naval forces in the Gulf is hereby directed not to obstruct the passage of Gen. Anyonis Lorez De Sanza Anna and suite to Mexico should he desire to return thither.

JAMES K. POLK.

May 15, 1846.

Polk's admission of having granted the pass,
"When orders were issued to the Commander of our Naval forces in the Guif, on the 15th day of May last, only two days after the existence of the war had been recognized by Congress, to place the coast of Mexico under blockade, he was directed not to obstruct the parage of Santa Anna to Mexico should he return.
—Polk's Annual Message to Congress, Dec. 7, 46.

It remains to be seen whether his return may not yet prove favorable to a pacific adjustment of existing difficulties.—Hid.

TRIUMPHANT SUCCESS.

CONSUMPTIVES, remember that it is Thomson's Compound Syrup of Tar and Wood Naphtha, which is daily effecting such remarkable cures in pulmonary consumption, asthma, brouchitis, spitting blood, pain in the side and breast, sore throat, hoarseness, palpitation of the heart, whooping cough, croup, nervous tremors, hives, liver complaint, diseased kidneys, &c.

&c.

Therefore beware of all spurious mixtures of Tar or Naphtha, and purchase of the advertise agents only.

ANOTHER WONDERFUL CURE!

PHILDBLIFHA, April 3, 1816.

Last August a year, I caught a violent cold, in consequence of getting wet in a shower of rain. A circumstance so common gave me no immediate concern, supposing that I should soon get rid of it. On the contrary, however, I daily grew worse; a violent cough set in, then pain in my breast and between my shoulders. I now suffered great oppression from the great secretion of purulent mater in my lungs. I became greatly alaxmed; and my friends considered my situation extremely critical, the more so as loss of appetite, hectic fever, and night sweats rendered me as weak as a child, and at night the sweat literally, poured off me! This was my condition when I commenced using "Thomson's Compound Syrup of Tar and Wood Naphtha." I procured one bottle, and experienced so much benefit that I resolved to continue it. It is now six mouths since I ceased using the medicine, and the cure remains perfect. I firmly believe this medicine is far superior to every other remody for Consumption of the Lungs.

J. J. CHAMBERLIAIN, No. S. Carberry street. Affirmed and subscribed this 3th day of April, 1846, before me.

S500 REWARD.

THE above reward will be paid to any pers n who will restore to her disconsolate parents, their daughter, MARY FOX, or one half of said reward for such information as will lead to her recovery. Said Mary left her school about 5 P. M., on the 20th of May, 1847, and since that time has not been seen. She is only 15 years of age, 4 feet 9 inches, black hair, small black eyes, rather thick pouting lips, rd checks, small features, pretty and quite grifash in appearance. She wore a small plaid calico dress, pink, purple and blue; black silk cape and apron, black gaiter boots, pink silk shirred hat, and green veil; two small chased finger tings, a gold pencil attached to a black cord, and her naile quite short from biting them. It is strongly suspected that she has been ablucted by a person named Michael, alias Martin Hare, formerly propriet or of a Bowling Saloon, located near No. 202 Broadway, opposite the Frankin House, who absended about that time from this city, deserting his wife and leaving her entirely destitute of support. He was seen lurking in the neighborhood of her school a short time previous, disguised with false whiskers.
